MERRY CHRISTMAS!

THE LIGHT SHINES IN THE DARKNESS, AND THE DARKNESS HAS NOT OVERCOME IT. -JOHN 1:5 ESV

Glory to God in the highest!

In Him was life, and the life was the light of men.

Jesus. He is the reason we celebrate this Christmas. Despite the struggles of 2020 He is and must remain the center of our narrative. He is the one who has provided us with salvation from our sins and it is His story we plan on proclaiming in Panama and wherever else we go. The love of Christ COMPELS us. It is Jesus who has put all of you into our lives and we cannot thank Him enough for the extravagant generosity you continue to show us along with your tenacity in praying for us.

Because you have responded to the Holy Spirit's leading in supporting our work in Panama, 2020 has been converted into a year of victory. It reminds me of what our Regional Director David Ellis once said, "His light shines the brightest in the darkest places." That is what makes this year of victory so bright and this Christmas so merry.

What's the next step in our plan? Paperwork

"This kind can come out only by prayer and fasting." -Mark 9:29

Now that we basically have our budget raised we have begun to work on an important application for Natalia with the United States government. In order for us to be able to leave the US we need to get Natalia's US residency and green card renewed. Sounds simple enough, but the government is rumored to be backlogged due to the pandemic.

So we want to shamelessly ask you to pray and even fast with us that the Lord would give us favor and efficiency and that Natalia's permanent residency would be resolved in early 2021.

WE THANK GOD EVERY TIME WE THINK OF YOU!

After driving and flying thousands of miles this year we want to thank all of you for your amazing hospitality. You have invited us into your homes and churches and when the virus was too intense you let us preach virtually. May the Lord reward you with a very Merry Christmas and a prosperous 2021!
