Because we can't meet on campus this school year, Greater Lansing First has provided a place for our prayer and worship service. Our staff team has also utilized their conference room to meet and pray. We are blessed by their pastoral staff.

Journey Life Church is where we attend regularly. Their pastoral staff has given freely to support us in prayer, staff and student mentorship, funds and outreach. Journey has been a great place to join with the body of Christ, as we have similar values and vision.

New Life AG in Grand Ledge has provided friendships, prayer partners, sports fans, financial support and a NY Eve space to play games. This was the first church that some of our students had ever been in. They were intrigued walking around.

In January, Courtney Bytwerk, joined our staff as a full time Missionary Associate. God provided all of her monthly support in seven months.

Courtney has been a great addition to our team. God has added people to our Bible study and to the number of new people we are able to reach out to. She's also been an encouraging support for me personally.
