WHEN ALL YOU CAN SAY IS WOW

Wow, how can we express the amazing grace of God! He adopts us into his family AND he invites us to be his partners in his work.

We were reminded of this grace when we stopped by Fayetteville State University to visit Javaria Cox. Javaria transfered to FSU after being a part of WSSU XA. This is what she posted on her Facebook.

"*All I can say is wow! This is what serving God looks like. I transferred from Wssu to FSU and they came to see little Ol me. This week I was thinking I would love to see my chi alpha family, and God heard his daughter. Campus ministry has truly changed my life. Thank you guys so much for all that you do! Love y'all* ***Belkis Garcia Lehmann Steve Lehmann Triad Chi Alpha***"

Again we have to say "WOW." Thank you Father for the privilege of partnership with you. Thank you family for the honor of partnering with us in this amazing work. We say amazing because it is God's work. He is the one who changes lives, we just create opportunities for him to do so. Thank you for creating opportunities with us!!

Sharing the Vision at LRCC

We were so honored to be invited to speak for **Lumbee River Christian College's** Missions Emphasis. It's always a pleasure to share the vision of reaching students and how we can change the world by changing the campus.

Steve led worship and did a "pastor on the porch" specialm song in the chapel service. Belkis preached on putting it all on the altar so we can participate in our Father's mission. Even better was the opportunity to speak in an Introduction to Ministry class and answer questions.

Thanks LRCC for the invitation and for your partnership in our ministry! Pray with us as we explore how God would have us work together to see some area campuses reached. Together we can accomplish so much more than we can on our own.

Praying, Planning, and Posing

This month Belkis was able to get away with her staff for time of refreshment and fun. They spent a lot of their time in prayer and intercession. Belkis believes that the main ministry of XAd is intercede and be a prophetic voice to Chi Alpha. "We can't speak *for* God unless we've first spoken *to* God on behalf of others."

Praying and planning is essential, but posing for pictures while exploring the area, was also critical. We believe unity is built in the Spirit as we seek God and also as we fellowship over a good meal and have fun together.
