

December 2021

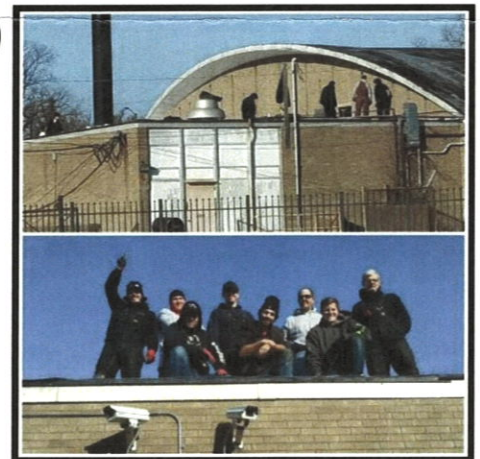

Dear Friend of Good News Gang,

I'm rejoicing while writing this letter to you. This year is ending the same way last year ended. This time last year we were celebrating a financial miracle. Many responded to the need of raising \$42,000 to pay off an unjust water debt incurred from vandalism to the big building on our property. Today we say **"THANK YOU JESUS"!!!** Once again we celebrate a financial miracle in having all the necessary monies needed to repair our entire roof... It was our hope to address our roof's needs two years ago, unfortunately, it had to be put on hold until our water debt was out of the way.

Attached are two pictures of the roofing company repairing (section 3) which is over the side rooms to the right of the main entrance. Many times while conducting classes, meetings, tutoring programs, etc we had to place pans or buckets to catch water dripping from the ceiling. On several occasions there would be large areas of water on the floor after a night of intense rain. Praise God those days are over!!

Thanks to God and a community of selfless believers who are investing into the lives of children and their families in Detroit.

The roofing company has informed us that it will probably take many weeks until all the materials for section 1 to arrive, the partition over the gym, stage and hallways. The project will possibly be placed on hold until spring due to weather. It's in the Lord's hands and we trust Him completely for everything.

One of the additional highlights of this year is that eight new people have committed themselves to be part of the Good News Gang team. I'm thankful for their time and service unto the Lord. That means we have eight additional people to love, share, serve, give, bless and lead precious children to Jesus. Scripture says, **"The harvest is plentiful, but the laborers are few". Matthew 9:37**

There are two types of people we pray regularly for that God will provide. Those who are willing to serve faithfully on the front lines and those who are willing to financially partner with us. One can't do without the other. It takes an army. It requires each person willing to do their part. When it's all said and done the only words we want to hear are 'Well done, good and faithful servant.'

I'm asking you to join us in 2022, to be a prayer partner, financial supporter or serve along with us as a missionary to Detroit or do all three. Contact Matt Cripps at 313.220.9405 if you have questions. Regardless of the times we are in it's our deep conviction to bust down the spiritual barriers the enemy has put up so that precious souls will be healed through the good news of the gospel of Jesus Christ.

On behalf of the team and I thank you for your support and encouragement throughout 2021.

May you have a blessed and joyful New Year!
